Assignment-III: Term Paper

For the end semester assignment, make sure that your work cover following points.

a. Follow IEEE journal paper template
b. Use only latex for writing your paper
c. Use separate bib tex file for the references in Latex
d. Your paper must be of 12 pages excluding references
e. To ensure the length, roughly the expected references should not be less than 40

Regarding the contents in paper, we already covered in class.

I would suggest to see the sample literature survey papers in your areas. Do not copy their style, just grab the layout of survey writing.
